

# Triophone (3 Way Call Interpreting) Administrative Interpreting Service is now Available!

Triophone, now available at the Gifu International Center, provides administrative information and interpreting for inquiries from foreign residents, through the use of three-way calling between the caller, administrative party and center consultant (who acts as an interpreter). \*Interpreting limit: 10 minutes

## How to Use

- ① Phone **058-272-1170** (triophone direct line) from a mobile or landline phone.
- ② When the consultant answers the phone, please give the name of the prefectural or local authority office you wish to speak with, explain the nature of the call and hold.
- ③ The center's consultant will phone the party you wish to speak with and a three way call will take place.

\*Interpreting is free (call charges do apply).

English interpreting is available weekdays 9:00am – 4:00pm

\*There are times when a consultant may not be present.
