

## State of Emergency Measures (Extract)

### Demands of Business Operators

#### (1) **Strict Adherence to Guidelines for Eating & Drinking Businesses from the Guidelines for Each Type of Business**

- In particular, “eating & drinking businesses involving hospitality service” which have not submitted an Infection Prevention Measures Manual are asked to temporarily close.
- Business branches where clusters have occurred are asked to temporarily close and on-site inspections will be carried out. After advising on infection prevention measures, the manual will be inspected (and required to be resubmitted).
- Furthermore, sampling investigations (virus tests on staff) will be carried out centered around areas where clusters are occurring such as foreigner pubs.

#### (2) **Demand for the Shortening of Operating Hours Aimed at Eating & Drinking Businesses**

【February 8<sup>th</sup> (Monday) – March 7<sup>th</sup> (Sunday)】

- Targeted: Eating & drinking businesses (regardless of whether they serve alcohol)
- Demands: For the period, shortening of operating hours to until 20:00 and shortening of alcohol serving hours to from 11:00 until 19:00
- Compliance Fund: Payment of 1,680,000 yen per business branch to those fulfilling the conditions for the whole 28 day period
- ※ The business branch must have acquired a “Sticker for Business Branches Implementing COVID-19 Measures”.
- ※ There may be changes such as a shortening of the demand period and/or a change in the amount of Compliance Fund paid if there are changes to the Government’s Basic Measures Guidelines during the period of the demand written above.

<Below is unchanged from the “State of Emergency Measures” published on January 14<sup>th</sup>>

#### (3) **Restrictions on the Hosting of Events Etc.**

- Indoor & outdoor events restricted to 5,000 people or less
