Gifu Prefectural Police Crime Prevention App

Gifu Prefectural Police has created a smartphone app for receiving crime prevention information, available from April 1. Please make use of it to keep yourself safe.

Main Features

Map: See the locations where crimes have occurred or suspicious persons have been reported.

Push Notifications: Receive information about crime prevention from the Prefectural Police.

Crime Prevention Buzzer (personal alarm): Using the buzzer within the app will notify anyone you register, such as family members, of the time and location at which you used the buzzer.
