

# Dear Prefectural Residents

COVID-19 is rapidly spreading across the world, and many cases of infection are being reported within Japan as well. Since February 26, individuals in Gifu Prefecture have also tested positive for COVID-19.

Accordingly, please be sure to check the latest updates regarding COVID-19, and take measures to prevent the spread of infection. If you have a persistent fever or cold-like symptoms, fatigue, or difficulty breathing, please contact the consultation points below before visiting a doctor.

Gifu Prefecture will follow the following protocol regarding consultation, testing, and treatment for COVID-19.

Those who test positive for COVID-19

⑤ Hospitalization and treatment

At designated medical institutions for COVID-19 (5 locations: 30 beds), etc., where defense measures against infection have been ensured.

## To those who have been overseas

If you have returned from overseas and have symptoms, you should immediately contact a Consultation Centers for Returnees and those with Close Contact, regardless of the country you were visiting.

## To those planning to travel overseas

In response to the continued spread of COVID-19, the Ministry of Foreign Affairs is advising against all travel or all but essential travel to certain countries and regions.

For details about which destinations are affected, please see the Ministry of Foreign Affairs website's "Overseas Safety Information" (Japanese only).

Certain countries and regions have placed restrictions on entry or on movement after entry for travelers from Japan/Japanese nationals. For details, see the Ministry of Foreign Affairs website.

## Regarding the purchase of everyday commodities

As COVID-19 spreads, false rumors on social media about shortages of products such as toilet paper and tissues are causing panic-buying in Gifu Prefecture as well.

The majority of these products are manufactured in Japan, and we have confirmation that stocks will not run out.

We ask that prefectural residents respond calmly to the current situation and not be taken in by false information and unsubstantiated rumors.

■ Inquiries: Gifu Citizens Support Center (Gifu Prefectural Government) Tel: 058-272-8196 (Japanese only)

■ Maximum loan amount

• Sole proprietors and those who have lost income due to school closures → up to 200,000 yen

• Other circumstances → up to 100,000 yen

■ Deferment period: 1 year ■ No interest

■ Maturity period: 2 years

■ Guarantor not required

■ Applications:

Your municipal Council of Social Welfare

### ② Loans mainly for those who have lost employment (Comprehensive Support Loan※)

Loan for living expenses needed until restoration of livelihood.

※The sub-category "Living Support Fund" under Comprehensive Support Loans

■ Who can apply for this loan:

Households which lack funds to cover daily living expenses due to a loss of income or unemployment resulting from the effects of COVID-19.

■ Maximum loan amount

• 2 or more people in household

→ up to 200,000 yen per month

• 1 person → up to 150,000 yen per month

※Loan period: in principal, up to 3 months

■ Deferment period: 1 year ■ No interest

■ Maturity period: 10 years ■ Guarantor not required

■ Applications:

Your municipal Council of Social Welfare

■ Inquiries: Gifu Prefectural Council of Social Welfare Tel: 058-273-1111 (direct line: 2513, 2514)
