Gifu Prefecture

To protect yourself

- Stay at home
 - As a rule, do not go out, except when necessary to maintain your livelihood.
- When going out
 - Avoid spaces where the "Three Cs" (closed spaces, crowded places, close contact settings) overlap.
 - Stay 2 meters apart from other people.
 - Wear a mask.
 - Wash your hands and gargle when you arrive home.

To protect your workplace

- Work from home as much as possible using teleconferencing technologies, etc.
- Carry out disinfection in your workplace.
- Ventilate regularly to avoid the "Three Cs".
- Check the health of your employees and advise them concerning infection prevention.
- Reduce shop opening hours or scale of operations, suspend operations, etc.
