The Life of the Japanese Man,
Nouchi Yukichi, who founded the
Machu Picchu village

Japan Machu Picchu Association
Chairman Nouchi Cesar Yoshiro

Born in Cusco, Peru. Third generation Japanese-Peruvian. Came to Japan to work at age 16, after which he enrolled in a part-time high school, went on to university, and started the Japan Machu Picchu Association in 2014.

Involved in promoting relations between Japan and Peru. Currently researching Japanese emigration to Peru at Nanzan University. He will be speaking about the history of Japanese emigration to Peru, and the life of his grandfather, Nouchi Yukichi, who founded Machu Picchu village.
