## Multilingual Disaster Support Center set up in Gifu Prefecture

The Gifu Multilingual Disaster Support Center has been set up, as described below. The multilingual support center will provide information about the disaster in foreign languages, and support local authorities and international exchange associations as they work with non-Japanese nationals affected by the disaster.

### Details:

○ Date/Time Established:

Date: 08/08/2017 Time: 00 : 30

○ Location:

In the office of Gifu International Center.

(Address: Chunichi Building 2F, 1-12 Yanagase-dori, Gifu-shi)

○ Established/Managed by:

Gifu Prefecture, Gifu International Center.

○ Activities:

- Translating and publicising information relating to the disaster released by the prefecture and other local authorities.

>> Gifu International Center homepage: <http://www.gic.or.jp>.

- Translating information for non-Japanese nationals in villages, towns and cities affected by the disaster.

- Dispatching volunteer interpreters to disaster-affected areas to help support non-Japanese nationals.

- Gifu International center Facebook
