3. Application requirements

<Requirements applicable only to Gifu Prefecture's original requests and priority measures such as spread prevention>

- The target facility must be a restaurant, entertainment facility, etc. that is open from 20:00 pm to 5:00 am the next day.
- ※It is necessary to be able to confirm from objective materials that it was widely known that the business hours were from 20:00 pm to 5:00 am the next day.
- ※Since the request for shortened working hours by the first wave (April 18, 2020), stores that have voluntarily shortened working hours for the purpose of preventing the spread of new coronavirus infection are also eligible. (Except for close of business when the actual management cannot be confirmed for a considerable period of time)

<Common requirements>

- Being a business operator who fully cooperated with the prefecture's request during the requested period and area (including the case where the business hours are closed all day during the requested period).
- You must have obtained all the permits, etc. required for business related to the industry that is valid during the entire period covered by the request.
- Being a business operator that has been open before the start date of the request for shortening business hours and can clearly confirm the actual situation of continuous business.
- The store must be located in a municipality in Gifu prefecture within the target area during the requested period
- Being a person who has the authority to decide the business hours, business contents, etc. of the target store.
- For restaurants (cabaret clubs, host clubs, etc.), karaoke shops, and live houses that accompany entertainment, an infection control manual must be prepared and submitted and confirmed.
- In addition to violations of related laws and regulations or the governor's disposition based on this, there must be no false or fraudulent applications in all applications after the Gifu Prefecture Coronavirus Infectious Disease Spread Prevention Assistance Fund (1st).
- Persons belonging to antisocial forces such as gangsters, representatives or officers of gangsters are not corporations, etc., or who are not actually participating in management.
- Of the stores where the new coronavirus infection cluster occurred, the new coronavirus infection cluster related to the store was terminated from the day when the governor recognized that the new coronavirus infection spread at the store. The store must not include the request period (August 17th until September 30th) before the date.
- Obtain and post "Stickers for stores implementing new corona countermeasures" in compliance with industry-specific guidelines and "Action Guidelines for Surviving Corona Society."
- At the time of application, the national and prefectural governments have not provided any benefits or subsidies that are subject to the condition of prohibition of simultaneous payment.

4. Application acceptance period

From October 8th 2021 (Friday) until November 30th 2021 (Tuesday)

- Applications postmarked November 30th 2021 (Tuesday) will be accepted.
- Please be careful as we will not be able to accept late applications.
