

Accompanied by a Request for Cooperation in Shortening Business Hours
"Gifu Prefecture New Coronavirus Infectious Disease Spread Prevention Assistance Fund (8th)"
Implementation Outline

1. Purpose

In order to prevent the spread of the new coronavirus infectious disease, which is spreading every day, the stores subject to the request should respond to the request of the prefecture. During the entire target period, we will provide assistance fund to businesses that can fully cooperate in shortening business hours.

2. Request details

Request Period etc.	From October 1, 2021 (Friday) until October 14, 2021 (Thursday) [14 days] ※Payment will also be made if requested by August 19th, 2021 (Thursday).

Request details	< Stores with stickers for stores implementing new corona measures (third-party certified stores)	< Other stores >
	<ul style="list-style-type: none"> ▪ Business hours will be shortened from 5: 00 AM to 9:00 PM (However, alcoholic beverages will be served only from 11 : 00 AM to 8:00 PM) ▪ In principle, the same group and the same table are required to have no more than 4 people. ▪ Refrain from using karaoke facilities (restaurants and wedding halls) 	<ul style="list-style-type: none"> ▪ Business hours will be shortened from 5: 00 AM to 8:00 PM (However, alcoholic beverages will be served only from 11: 00 AM to 7:00 PM) ▪ Refrain from using karaoke facilities (restaurants and wedding halls)
Payment amount	※The sales to be calculated only the sales of the restaurant business. •Sales related to food and beverage takeout, the sales of the accommodation business associated with the hotel business industry and the sales of the karaoke associated with the karaoke business, etc. should calculate food service sales by excluding sales from those businesses. ○Small and medium-sized enterprises (The daily payment unit price is determined according to the daily sales of the restaurant business in the previous year or the year 2 years ago.) • Stores with daily sales of 83,333 yen or less in the previous year or the fiscal year 2 years ago: 25,000 yen / day • Stores with daily sales of 83,333 yen to 250,000 yen in the previous year or the fiscal year 2 years ago: 25,000 yen / day up to 75,000 yen / day 【(Daily restaurant sales in the previous year or the fiscal year 2 years ago) x 0.3】 • Stores with daily sales of 250,000 yen or more in the previous year or the fiscal year 2 years ago: 75,000 yen / day ○Large companies (Small and medium-sized companies can also select this method) •Decrease in restaurant sales per day x 0.4 (upper limit: "200,000 yen" or "sales per day x 0.3", whichever is lower amount)	

3. Application requirements

< Stores with stickers for stores implementing new corona measures (third-party certified stores) >

- The target facility must be a restaurant, entertainment facility, etc. that is open from 21:00 PM until 5:00 AM the next day.
- * It is necessary to be able to confirm from objective materials that it was widely known that the business hours were from 21:00 PM until 5:00 AM the next day.
- * The request for shortened working hours by the first wave (April 18, 2020), stores that have voluntarily shortened working hours for the purpose of preventing the spread of new coronavirus infection are also eligible. (Except for leave when the actual management cannot be confirmed for a considerable period of time)

<Other stores>

- The target facility must be a restaurant, entertainment facility, etc. that is open from 20:00 pm to 5:00 am the next day.
- ※It is necessary to be able to confirm from objective materials that it was widely known that the business hours were from 20:00 pm to 5:00 am the next day.
- ※Since the request for shortened working hours by the first wave (April 18, 2020), stores that have voluntarily shortened working hours for the purpose of preventing the spread of new coronavirus infection are also eligible. (Except for close of business when the actual management cannot be confirmed for a considerable period of time)

<Common requirements>

- Being a business operator who fully cooperated with the prefecture's request during the requested period and area (including the case where the business hours are closed all day during the requested period).
- You must have obtained all the permits, etc. required for business related to the industry that is valid during the entire period covered by the request.
- Being a business operator that has been open before the start date of the request for shortening business hours and can clearly confirm the actual situation of continuous business.
- The store must be located in a municipality in Gifu prefecture within the target area during the requested period
- Being a person who has the authority to decide the business hours, business contents, etc. of the target store.
- For restaurants (cabaret clubs, host clubs, etc.), karaoke shops, and live houses that accompany entertainment, an infection control manual must be prepared and submitted and confirmed.
- In addition to violations of related laws and regulations or the governor's disposition based on this, there must be no false or fraudulent applications in all applications after the Gifu Prefecture Coronavirus Infectious Disease Spread Prevention Assistance Fund (1st).
- Persons belonging to antisocial forces such as gangsters, representatives or officers of gangsters are not corporations, etc., or who are not actually participating in management.
- From the day when the governor recognized that the infection of the new coronavirus infection had spread in the stores where the cluster of the new coronavirus infection occurred, by the day the cluster of new coronavirus infections related to the store ends, the store does not include the request period (From October 1, 2021 until October 14, 2021)
- In the case of stores that have acquired stickers, they must comply with the declaration, industry-specific guidelines, and "action guidelines for surviving the corona society" and take measures to prevent infection, and post "stickers for stores implementing new corona measures" to make them widely known. Therefore, take the following four measures in particular. (1. Installation of acrylic plates or securing seat spacing, 2. Thorough hand disinfection, 3. Recommended wearing masks other than during meals, 4. Thorough ventilation)
- In the case of other stores, infection prevention measures must be taken in compliance with industry-specific guidelines and "action guidelines for surviving the corona society."
- At the time of application, the national and prefectural governments have not provided any benefits or subsidies that are subject to the condition of prohibition of simultaneous payment.

4. Application acceptance period

From October 22, 2021 (Friday), until December 17, 2021 (Friday)

- The postmark is valid on December 17, 2021 (Friday).
- Please be careful as we will not be able to accept late applications.
